

BENEFICENT PTY LTD

TRAINING SUPPORT

A mentoring program for participants, with someone who is experienced in education and the requirements of study programs to ensure the participant achieves success with their training program.

Beneficent Pty Ltd
ABN: 34631474309

Individualised Training Support is a mentoring service to assist participants while completing training so they can remain on track to achieve their goal of paid employment.

It can include assistance with:

- planning study schedules
- interpreting assessment questions
- using technological solutions
- managing and balancing life commitments.
