

COMPUTER TRAINING

Computer Trainer
Mark Houston
(city and south)

Need to improve your computer skills?

Need to start with the "ON" button, OR do you need to become skilled in a package like Excel?

Damik Consulting can individualise a program just for you.

Our computer training programs are delivered by our highly experienced and qualified Adult Educators.

Learners are provided with a **tailored** training program to meet their needs.

Computer Trainer
Tammy Fischer
(city and north)

Current programs we offer are:

Basic Computer skills – for those needing to start with the 'on' button

Word, Excel and Powerpoint

Internet and Email

How to use Zoom and other online mediums

How to operate Smartphones and Tablets

Who is the service recommended for?

- For people wanting to develop their computer skills and build confidence with technologies
- For people who want to develop independent job seeking skills

After an initial assessment, the program utilises a combination of:

- professionally developed tutorials
- self paced modules
- face to face or on-line one to one guidance and support sessions

Want to ensure your regional, interstate and housebound clients can access support services?

Select remote servicing via video

NOTE: For Mt Gambier clients, this training can be conducted via zoom in our local office under the guidance of our local consultant
